## 2015-16 Highlights

What an exceptional year we have enjoyed as a parish family. With so many highlights from the past twelve months there is no way to recap them all, so I will highlight that were most inspiring to me.

Pizza with the Pastor was such a great night for me as I enjoyed sharing more about myself with parishioners alongside a simple meal. I feel as if we made a real connection at this family get together and I look forward to many more in the years to come.

Breaking ground on the convent was a real milestone for me as it made the reality of working alongside the Dominican Sisters everyday a reality. The future is bright for all of us as we embark upon this new relationship with these amazing women of great faith.

Celebrating Fr. Sean McKinley's First Mass at Saint James brought joy to our entire parish family. We have been the "hot bed" of vocations the past few years and Fr. Shayne and I pray that we inspire more young men and women on a daily basis.

I hope that you agree that 2015-16 was an impactful year for us. It was a year of strengthening our daily resources in order to continue our family tradition of celebrating sacraments together, welcoming new families and continuing the strong tradition of Saint James Catholic School. As we embark upon our next year, I hope we continue to seek the more excellent way in how we relate as family by praying together, learning together and communicating in a Christ-like way. I look forward to spending another year with such a faithful Catholic family at Saint James. May God bless us all as we continue to grow in our love of Christ together.
