Giving to Charity:

Tax Planning with Qualified Charitable Distributions

Are you at least age 70 and 1/2 and subject to Required Minimum Distributions (RMD) from your IRA? Do you have Charitable Intentions for the required distribution?

Then you may consider the use of a qualified charitable distribution!

Qualified Charitable Distributions were made permanent in 2015 when Congress passed the Protecting Americans from Tax Hikes (PATH) Act. The IRA owner subject to required minimum distributions can donate up to \$105,000 **directly from an IRA** to a charity **without getting taxed on the distribution.**

Donating IRA funds directly to qualified charities allows the IRA holder or beneficiary to avoid taking possession of the funds and the tax bill that comes with it.

Another benefit of the RMD payment applied to a Qualified Charitable Distribution is the amount is **excluded from tax formulas** that could impact multiple categories such as Social Security taxation, Medicare Part B and D premium increases, and the Medicare tax on investment income.

HOW IT WORKS

The Qualified Charitable Distribution must be paid **directly** from the IRA to a qualified 501(c)(3) institution eligible to receive tax-deductible contributions, like St. James Catholic Church and many other public charities. The charitable entity, as the recipient of the Qualified Charitable Distribution, must receive the donation by December 31st in order to ensure credit to the proper year. It is that simple!

Since each individual's situation is unique, donors are urged to consult their attorneys, accountants or tax advisors with respect to questions relating to the deductibility of various types of contributions for federal and state tax purposes. To learn more, please contact:

The Incarnation

"By his incarnation the Son of God has united himself in some fashion with every human being" (Vatican II, GS 22). This saving event reveals to humanity not only the boundless love of God who "so loved the world that he gave his only Son" (Jn 3:16), but also

the incomparable value of every human person. The Church, faithfully contemplating the mystery of the Redemption, acknowledges this value with ever new wonder. She feels called to proclaim to the people of all times this "Gospel," the source of invincible hope and true joy for every period of history. The Gospel of God's love for man, the Gospel of the dignity of the person and the Gospel of life are a single and indivisible Gospel" (Pope John Paul II, The Gospel of Life, n.2).

In today's readings, we see that Christmas is linked to Easter. Christmas is the Feast of the Incarnation (not only of the event of his birth), and Christ takes on a human body precisely so as to offer the sacrifice of that body that saves the world. In fact, his sacrifice is not limited to Calvary. It begins even in the womb. "A body you have prepared for me ... I come to do your will." Even as an embryo, Jesus was offering himself to the Father, in obedience to his will and for our salvation. "A Savior is born for you." He is a savior precisely because he bears our human nature, and has a human body like we do – a body offered on the cross and in the Eucharist.

As we see in the first reading and the Gospel, the details of his birth are carefully planned by God and foretold by his prophets. His birth is all about hope fulfilled and hope inspired. That hope outlasts his birth, and extends to us today as we work to build a world in harmony with the vision of peace, life, and love that Christmas inspires.

Storms can do a lot of harm in winter. Trees can fall or become damaged when faced with solid winds, snowstorms and ice storms. Let S & M Tree Service take care of your trees while it's cold. Here's why...
 • The ground is often frozen thus minimizing yard damage
 • The leaves are not on the trees thus making the workload lighter
 • Trees are dormant
 Serving Elizabethtown and surrounding areas.
